2019-2021**

Fellow UPMASA members and UPMED alumni,

First of all, thank you for allowing me to be your National Auditor for 2017-2019. While the task was daunting, I believe I have learned and performed the responsibilities of the position as required by the constitution and by-laws of UPMASA. Secondly, I will assist the incoming Auditor and Local Chapter Treasurers for the incoming term as this is an ongoing learning process.

But my task is not done. With your support and vote, I, Ishwar Gopichand of UPCM Class of 1990 want to be the incoming Vice Chairman of the Board of Governors (BOG) of UPMASA. Once elected, my responsibilities are established in the CBL and supplemented by my 6-point platform - U.P.M.A.S.A.

Whether you use online voting or the printed ballot, your positive and favorable support for me, Ronette, and Bing will result in a meaningful, relevant, and dynamic term of office focused on results.
