SECOND

COVID VACCINES FOR RP. Thank you everyone for getting vaccinated or waiting in line to be vaccinated. Likewise, we salute and acknowledge your efforts in appealing to the US Government to share their surplus vaccines and/or expedite earlier delivery from the US of COVID vaccines approved by the Philippine FDA as Emergency Use Authorization (among them are those that have been paid for and allotted for RP)for our Kababayan and families. We all know that demand far exceeds supply and the Philippines has to compete with every country for the vaccines. However, as the vaccines are trickling in and the vaccination rate which last week was at 2% is starting to slowly inch upwards. This is a better development than last month, but we still have a long way to go until “ herd immunity” is achieved. Please keep up the effort of informing , explaining, requesting and pleading to your local officials, vaccine manufacturers and drug representatives colleagues and fellow Fil-Ams and friends for EXPEDITED VACCINE DELIVERY and sending MEDICAL THERAPEUTICS as well.

THIRD

MSPF ANNUAL BUSINESS MEETING on Saturday July 3rd ,12:30pm to 2:30pm at the Cleveland Ritz Carlton. The Annual Business meeting at the AGC is less than 2 months away . We will start a list by early June to confirm . Please register early and contact the UPMASA AGC 2021 hosts for reservation or register online at www.upmasanational.org
