Seb, as he is familiarly called by Mu brods, sisses, colleagues, and friends, added another notch to his notable life's achievements by receiving the Lifetime Achievement Award from PEACE on May 20, 2023.

His distinguished military record is well known and his contributions to the Mu Sigma Phi Foundation and the UP Medical Alumni Society, notably as a past President, are well recorded as well.

The Mu Sigma Phi Foundation shares Seb's honor and recognition by PEACE and the Bisaya Medical Association in Dumaguete Philippines through its newsletter, SULAT.
